"Celebrating Our Gifts, Sharing Our Culture"
Sunday, October 16, 2016, 1-4pm Community Centre

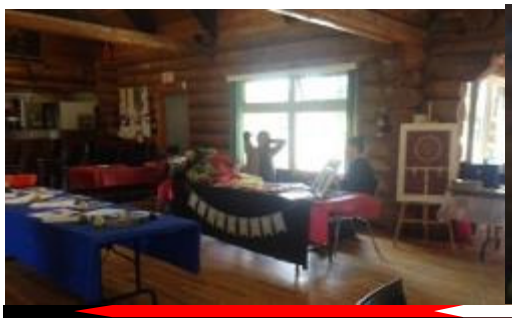
Forty (40) people attended the first annual "Celebrating Our Gifts, Sharing Our Culture" event on Sunday, October 16, 2016 at the Community Centre. They enjoyed beautiful displays of incredible art and tasty treats! There were wonderful collections of old photos, news clippings and artifacts from long ago for people to peruse through and reminisce. It was a beautiful, warm, sunny day to enjoy some corn soup, fish pond, and each other's company. Let's do it again next year!

GRFN Community Trust, in collaboration with Wellness Centre (Colleen Crowley), Adults in Motion (Joanne Thiessen and Bonnie Pregent), Ontario Native Women's Association local: Anishinabek Kweok of the North Shore, Frank and Katherine Wabegijig would like to thank the following people and organizations who participated:

- Amy Allison and Aryn Lesage – beautiful wreaths!
- Frank and Kathryn Wabegijig – beautiful works of art!
- Roseanne Wabegijig – family portraits and family tree!
- Bernadine Boissoneau – sweetgrass pins, teacups, etc.!
- Joe Corbiere – historical artifacts, newsletters, books, pictures and digital slide show. Thanks Joe and Gail for sharing!
- Right to Play – fish pond – Thanks Colleen, Tahneal Lothrop, Laura Butorac, Chanel Pine – great booth!
- Immaculate Heart of Mary Church bake sale – tasty baked goods by Carol Jones and Alice Corbiere!
- GR Food bank – Brenda…thanks for participating!
- ONWA local Anishinabek Kweok of the North Shore, Marg Hele and Barb Burns – beautiful plants and knitting!
- Steve Fleagle – traditional corn soup – tasty and delicious!
- Bonnie and Trina Pregent – thanks for the demonstration of making chairs with red willow!
- Chi miigwetch to Barb Nolan for the translation of our event into Ojibwe language: "Mino-waawiinjigaadeg G'miingowewzinaanin Maakookkiidaa G'dinaadziwini-naanh" .
- Chi miigwetch to Judy Syrette (ONWA -- Anishinabek Kweok of the North Shore) who donated the feast bag – won by Roseanna McCoy.

One ballot was cast for the Community Trust. Coincidentally the next voting takes place during the week of November 28 – December 3 at the Community Centre along with Garden River's constitution, Anishinabek Education System, and the Matrimonial Real Property referendum votes.

For next year's event, we plan to have the event to coincide with Sylvan Circle Tour for 2017, Saturday, September 16, 2017. Discussions with the Sylvan Circle Tour have already begun. Watch for postings next year.



Learning Anishinaabemowin

Margaret Hele

Ten students from the Anishinaabe language class at Adults in Motion School participated in their first immersion day Saturday, October 29th by preparing meals. The first meal was a brunch which was enjoyed by the students and teacher, Barbara Nolan, our instructor, first reviewed the Anishinaabe words for the foods that would be used in the preparation of the dishes. Students were encouraged to use the words and ask for any words or phrases that they wished to use during the process of preparing the food.

In the afternoon for supper four more entrees were prepared , scalloped potatoes, cold slaw, fruit salad and porridge cake. These were delivered to the Immaculate Heart of Mary Church which was hosting a fund raiser to raise money to pay for the re-shingling of the church roof. After delivering their dishes the students stayed and enjoyed super or purchased takeout to share at home.

Participating in preparing the dishes, learning Nishnaabe and assisting a worthy cause in the community was heart warming for all.

The Immaculate Heart of Mary Church is planning on hosting their next fund raiser in December to assist in paying for a lift. A lift would benefit the community members who have difficulty or are no longer capable of navigating the steep stairs to participate in family or community celebrations held at the church.

One Anishinaabe Family

Creator placed the Anishinaabe on the earth along with the gift of spirituality. Here on mother earth, there were gifts given to the Anishinaabe to look after, fire, water, earth and wind. The Creator also gave the Anishinaabe seven sacred gifts to guide them. They are: Love, Truth, Respect, Wisdom, Humility, Honesty, and Bravery. Creator gave us sovereignty to govern ourselves.
We respect and honour the past, present and future.

Great Lakes Futsal

Our Philosophy

The philosophy behind the program is to provide players with free play and to give the players the ability to develop quick touch on the ball and decision making. Futsal is viewed as the ideal skill building environment for all. It builds quick reflexes, fast thinking and better foot skills. It also places emphasis on the particular skills of close ball control, dribbling and passing.

Great Lakes Futsal (U8 - 15)

Futsal is FIFA's official version of indoor soccer. It is a 5v5 game of futbol played on a smaller field with a smaller ball.

Cold and Flu Season is Here Again!

People of any age can get the flu; it can be more serious for the young and old or someone with chronic health issues. The "flu" or influenza is a serious, acute respiratory infection that is caused by a virus. It is easily spread from infected persons to the nose and throat of others through coughing and sneezing or direct contact with contaminated surfaces or objects. You may be able to infect others one day before symptoms develop and up to seven days after becoming sick.

Symptoms can include:

- ◊ cough
- ◊ fever
- ◊ chills
- ◊ sore throat
- ◊ runny nose
- ◊ sneezing
- ◊ watery eyes
- ◊ muscle aches
- ◊ fatigue
- ◊ loss of appetite
- ◊ headache
- ◊ Nausea and vomiting may also occur, especially in children

Influenza can last from 5 to 10 days, sometimes longer in the elderly and in people with chronic diseases. Cough and fatigue can persist for several weeks, making the return to full personal and work activities difficult. Some people can become very ill and possibly develop complications requiring hospitalization.

To protect yourself and others:

- ◊ Get your annual flu shot
- ◊ Wash your hands frequently with soap and water
- ◊ Keep your hands away from your face
- ◊ Cough and sneeze into upper sleeve or a tissue
- ◊ Stay home if you have flu-like symptoms
- ◊ Keep common surface areas clean and
- ◊ disinfected

To book your flu shot call Algoma Public Health at **705-541-2332** or see your Doctor, Nurse Practitioner, or a trained Pharmacist.

INDIAN CONTRIBUTIONS TO THE SOCIETY.

"According to the intimation given in my last, Mr. Chance sent the money—twenty dollars—contributed by the Indians last year to Mr. Bond[5] for you. We have had another collection this year, amounting to twenty-one dollars, which Mr. Chance handed over to the Rev. Dr. Hellmuth[6]

in Toronto for your Society. We hope to be able to do more for you next year. The Indians are at length beginning to feel, I think, that 'it is more blessed to give than to receive.'"

ENGLISH SYMPATHY.

"You will be glad to hear that we have lately received from Mr. Chance's friends—the Rev. J. Bromley, Mrs. Bromley,[7] and others, at the Lye, Stourbridge, Worcester–a box, containing many valuable articles of clothing for ourselves and the Indian children, together with a very handsome communion service, and trimmings for our pulpit and reading-desk.

"We heartily thank God for having raised up other kind friends to our Mission in the room of those who, on account of sickness, have been obliged to discontinue their kind efforts in our behalf; and we should feel deeply indebted to you if you will be kind enough to make mention of these friends in your Report.

"I am happy to tell you our Sunday and Wednesday evening services have been very well attended, and we have had three fresh communicants."

DISCOURAGEMENTS.

"*Sept.* 17, 1859.—I have rendered myself deserving of your censure for not being punctual with my Report. One cause, perhaps, of the delay is the fact that I have not a very cheering report to send this time. I am sorry to say that the attendance at school has not been at all what we could wish; the number of children has been very fluctuating, from twenty-five to [pg.51] less than half that number. The reason of the irregularity in attendance is that the children have been occupied in gathering strawberries, raspberries, and whortleberries, a very profitable occupation in one sense, as some families have earned three dollars a-day; and it is on this account a great inducement to them."

THE INDIANS DESIROUS OF LEARNING ENGLISH.

"We have had a very interesting Sunday-school during the summer, attended by several Papists, who, I hope, have been benefited by their attendance. But we fear that they will now be prohibited from attending both the day and Sunday-schools, for they have a fresh Jesuit priest[8], who opened a school this week. If, however, he is not more apt to teach than his predecessor, and is not capable or willing to instruct them in reading, writing, and speaking English, as we teach them, they will not go to him, but come to us, and not regard his prohibition. The Indians care nothing about the French language ; they are only ambitious to acquire the English.

"It is not that the priest cares at all about educating the children belonging to his church that he has opened a school, but because he is jealous of us, and wants to keep them from us. But we shall use our utmost endeavours to induce as many of them to come to our school as we possibly can. We shall have our new school-room finished in a very short time; then we intend to adopt some new and interesting plans, which will tend to ensure a more regular attendance, and promote their improvement."

[5] Mr. Bond is likely the Rev. Elias Bond who established a mission at North Kohala in Hawaii.

[6] At the time of writing in 1860 Hellmuth was the organizing secretary in London (Ontario) for the Colonial Church and School Society. He later established a Hellmuth school for men (1865) and women (1867), which the Chance's children attended. He was also helped to create Huron College (part of the University of Western Ontario) and was eventually appointed Bishop of the Diocese of the Huron. Like the Chances, Hellmuth was very evangelically minded. For more information, see H. E. Turner, "Hellmuth, Isaac", *Dictionary of Canadian Biography*.http://www.biographi.ca/en/bio/hellmuth_isaac_13E.html

[7] A Reverend and his wife in England who contributed to various missions and missionary organizations. They were friends of Hannah Foulkes.

[8] Like many Protestants, the Chances held an intense dislike of Catholic priests and the Jesuits in particular. The Jesuit priest the Chances are referring to may be Rev. Father Auguste Kohler (Gasongide'eshkang), sj. or Rev. Father Jean-Baptist Menet, sj. Reverend Chance had a long and ongoing feud with Reverend Kohler. When Anglican Rev. Edward F. Wilson was appointed to the Sault and Garden River, he made peace with Kohler's replacement thereby ending the sectarian nastiness of previous years.

This is a 14 page document that will be continued in the coming months. Thank you Dr. Karl Hele for his contributions to the Garden River Community Newsletter and for sharing his historical knowledge with our community.
