Understanding the Provincial COVID-19 Response Framework

COVID-19 HEALTH MEASURES / RESTRICTIONS:

COVID-19 levels of public health measures	
 GREEN : Prevent	Restrictions reflect broadest allowance of activities in Stage 3. Highest risk settings remain closed.
 YELLOW : Protect	Enhanced targeted enforcement, fines and enhanced education to limit further transmission. Public health measures for high risk settings.
 ORANGE : Restrict	Enhanced measures, restrictions and enforcement, avoiding any closures.
 RED : Control	Broader-scale measures and restrictions across multiple sectors to control transmission (return to modified Stage 2). Restrictions are the most severe available before widescale business or organizational closure.
 GREY : Lockdown	Widescale measures and restrictions, including closures, to halt or interrupt transmission (modified Stage 1 or pre-Stage 1).
Ontario

The Provincial COVID-19 Response Framework outlines **Ontario's Priorities** in their response to the COVID-19 Pandemic:

1. Limit the Transmission of COVID-19
2. Avoid Closures
3. Keep Schools and Childcare Centers Open
4. Maintain Health Care and Public Health System Capacity
5. Protect Vulnerable Populations
6. Provide Additional Supports Where Possible

The Provincial COVID-19 Response Framework lists several **Risk Factors** that drive the transmission of COVID-19, specifically:

1. Close Contact
2. Closed Spaces
3. Crowded Places
4. Forceful Exhalation
5. Prolonged Exposure

The Provincial COVID-19 Response Framework outlines **Safety Measures** for personal and public settings to limit the spread of COVID-19:

1. Practice Physical Distancing
2. Stay Home if You Are Sick
3. Wash Your Hands Frequently and Keep Surfaces Clean
4. Wear a mask
5. Avoid Gatherings (Crowds)
6. Limit Close Contact with Persons in your Household
