NOTICE TO COMMUNITY MEMBERS

RE: CHANGES TO THE FUNERAL AND BURIALS LEAVE POLICY

On March 8, 2016 Chief and Council passed a motion to change the current Funeral and Burials Leave policy.

Please be advised the offices will **NO LONGER CLOSE** at the request of the family however managers will encourage all employees to pay their respects to those and encourage them to attend the funeral and burial services. Our goal is to improve our service level to our community members and lessen the financial impact we incur.

We want to remind people that in our Seven Grandfather Teachings that **RESPECT** will be honoured and applied for those that have passed on. Effective April 1st, 2016.

Respectfully,

Chief Paul Syrette
