January 2006

**Chief & Council General Membership Meeting is
scheduled for Tuesday, February 7th 2006 at 7 p.m.
at the Community Centre**

*The Garden River Administration Offices will re-open on
Monday, January 9th 2006 at 8:30 a.m.*

New Meeting Format:

In the past it was felt that with the setup of meetings (Chief & Council seated at the front away from the community) that it gave the impression that we were in opposition to each other and we don't want that. So what we're going to do is after Chief & Council are finished updating the community on what we've been working on and any announcements, we will break from the table and sit and talk amongst the community members in attendance. This way you may feel more comfortable approaching a certain council member if you have any concerns or questions you'd like addressed. There will also be snacks and drinks you're welcomed to share in. This part of the meeting will end at 8:15 p.m. and Council will then return to their seats to begin their working meeting.

All community members are welcomed and
encouraged to attend!
