NOTICE TO COMMUNITY

POSITIVE CASE OF COVID -19 ON THE GARDEN RIVER FIRST NATION

On April 6th, 2021, the Garden River First Nation was made aware that there is confirmed case of COVID-19 associated with a person who resides within the community. Algoma Public Health is working with our community health nurses to provide follow-up and support for this person.

The confirmed case is currently self-isolating and all close contacts are being notified and have been advised to self isolate.

A person who is ill deserves compassion, support and access to the health care services they require while they are isolating.

We encourage any person who is required to Self-Isolate for 14 Days under the direction of APH to contact the following persons for a Self-Isolation Kit and additional support services (all information remains confidential):

Tanya Boissoneau

Pandemic Response Coordinator
705-971-7833

Jessica Grawbarger

Wellness Center Manager
705-946-5710

Wellness Center Nursing Staff

1-249-525-6459

We continue to urge everyone to stay home. Only leave home for essential services, such as grocery shopping, medical appointment, prescription pick-ups, exercise, supporting vulnerable members and work. Wear your mask, practice social distancing and use hand sanitizer often.
