Fire Hydrant Flushing

The Garden River Water Department will begin its annual fire hydrant maintenance and flushing of water mains during the **week of May 27th, 2024**. The schedule will be as follows:

Monday May 27th, 2024

Pushquak – Noonday, Sage, Mizigan, Blue Jay, Eagle, Sweetgrass

Tuesday May 28th, 2024

French Bay - Whiskeyjack, White Birch, Moccasin, Hiawatha, Wolf, Syrette Lake Rd

Wednesday May 29th, 2024

Highway 17 East B/Point Charles

Thursday May 30th, 2024

Extra flushing day (If necessary)

Some discoloration of water may occur during this process. In the event discoloration occurs, we advise running cold water from your tap until the water is clear. The discoloration will clear up as we move out of your area.

Flushing our water main allows us to check the function of all fire hydrants and ensure that the valves are working correctly. We also flush out the water mains to provide the best quality water year-round to our community members.

We appreciate your cooperation and apologize for any inconvenience this may cause. If you have any inquiries or concerns, please contact:

Jeremy Solomon – 705-542-7767

Troy Pine - 705-257-9374

Ben Belleau – 705-542-7797

Miigwetch,
Garden River Water Department
